# Products

## SOFTY MIX

We are the prominent manufacturer and supplier of softy mix. We are producing rich and creamy softy premix with all the nutrition values. **Cheiro**® products are manufactured using the best quality raw material. Our softies mix churn out softies with extra fine texture and mouth watering taste, topped with the trust of our brand whose commitment towards quality and customer service is undisputable. All the popular flavours like Vanilla, Strawberry, Mango, Pineapple, Chocolate, Orange, Black Current, Butter Scotch, Pista, Kesar Pista, Litchi, Rose, Coffee, American, Raspberry, Kesar badam, Kulfi are readily available.

## THICK SHAKE POWDER

Nutan Industries ready-made thick shake powders are indulgent, convenient and you need to just open and pour into a bowl. Its natural base allows for addition of flavour, and is ideal for commercial soft serve / Think Shake machines.

## STABILIZER EMULSIFIER BLENDS

We ensure that your ice-cream retains its cooling. We manufacture a full range of emulsifiers and stabilizers as well as unified blends to keep your ice-cream products intact and a cut above the rest in the market. We help to keep intact the creaminess, warm/cold qualities, flavour release, texture, shape retention, melt-down properties, and the heat shock effect with our emulsifier and stabilizer for ice-creams. So come to Nutan Industries to buy ice-cream stabilizer, who are your perfect partner!

## WAFFLE CONE MIX

We are offering a quality range of waffle cone premix ideal for all cone-makers. It is an instant recipe of waffle cone which produces crispy, crunchy and consistent waffle cone every time. It enables you to make same ice cream cones served at major hotels, restaurants and ice-cream and waffle outlets. We supply premium and most demanded flavours of waffle cone mix, mainly vanilla and chocolate.
